

Colleen Archibald Crowned Queen At Irma Ice Carnival

The Home and School Association Ice Carnival on the evening of March 5 was a good success. This event was widely attended and the weather was ideal. The ice was roughish but we did have ice and that made the whole thing possible.

A lot of labour had been expended by the various mothers and the costumes of the children were really lovely. There were bunnies, cowboys, baby bears, Queens of Hearts, Irish costumes and a Dutch girl, a Knight in Armour, snow men, tramps, dwarfs, clowns, gypsies, a crow, a penguin, a fairy queen, Robin Hood, old fashioned ladies, Little Bo Peep, elves and just all manner of fancy costumes among the little folk. The judges were very troubled at having to pick winners from so many.

The Hardisty Skating Club, under the direction of Miss Alicia Witzke, came over and gave a lovely program of fancy skating. In spite of the rough ice the Hardisty skaters in their varied costumes were able to put on a fine show which was thoroughly applauded and appreciated.

Then we'd never had a carnival queen before. At the close of the program Miss Colleen Archibald was proclaimed the Queen and came on to the ice in a robe of purple velvet trimmed with white fur. She was preceded by her maids of honor Marjorie Coulman and Sheila Lovig and her crown bearers Gary Meier and Bobbie Anne Kirkman. On reaching her throne she was crowned by Mayor Frickleton and was escorted from the ice by a guard of honor formed by some of the Hardisty skaters.

Here is a list of the prize winning costumes:

8 and under Girls Fancy—Mary Lou Hubman as Queen of Hearts, Comic, Lynne Milne, a crow.

Boy's Fancy, Dale Larson as Bell Boy, Comic, Arthur Jack, a clown.

7 and 8 Girls Fancy, Elaine McMillan, a rabbit, Comic, Sharon Ostad, a clown.

Boy's Fancy, Gordon Anquist, Robin Hood, Comic, Gordon Fischer, a clown.

9, 10, 11 Girls Fancy, Isabel Inglis, Dutch girl, Lorraine Savard, Gypsy.

Boy's Fancy, Ian Inglis, a Knight, Comic, Alan Symington, a penguin.

12, 13 and 14 Fancy, Alice Fischer, Colonial Gentleman, Comic, Betty Rae Kirkman in Masqueline Attire.

Best Fancy Couple, Alice and Carol Fischer in colonial costumes.

Best Comic Couple, Shirley Lovig and Betty Rae Kirkman who dressed as man and wife and wheeled a real live baby—Patsy Kirkman—in a baby carriage on the ice.

Oldest person on skates, Mrs. A. D. Glasgow.

Youngest person on skates, Corinne Prosser.

EDITOR, IRMA TIMES

Thank you very much for the Electrification issue of your Irma Times. I really appreciated getting to see it. Had a good laugh about Mrs. McRobert's boy wanting an electric chair for Dad, and I daresay she was as pleased and surprised at winning as I was. Maybe she can buy an electric chair with her prize money!

You have an attractive paper.
Mrs. Harold Almborg, Czar, Alta.

Unrestricted wood-cutting has denuded Haiti's forest areas permitting extensive soil erosion. The United Nations, at the request of the Haitian Government, is encouraging soil conservation, reforestation, irrigation, and the planting of cover crops through its technical assistance program in an effort to restore Haiti's depleted natural resources. Shown above, Vinton Barnes (left), U.N. forestry expert, and Felix Cornille (second from right), Haitian Director of Forestry, inspect an eucalyptus tree at a tree nursery in Haiti.

IRMA CURLERS KEEP BUSY

Irma curlers have been busy curling at various bonspiels and with very satisfying results. First let us mention the ladies, Mrs. Milne, Mrs. Anquist, Mrs. Smallwood and Mrs. Fenton who went to Buffalo Coulee and won the Grand Challenge there this week.

During the men's spiel at Buffalo Coulee last week the Edgar Jones rink composed of E. Jones, A. Jones, A. Larson and E. Guy won third in the Grand Challenge and two other Irma rinks, N. McMillan, Roy Burton, Ken Fischer and C. Younker, Archie Cook, Alex Cairns, J. Savard, and Eldon Fenton won third and fourth prizes in the third event.

Meanwhile at Loughheed spiel C. Smallwood, W. Lawson, D. McKay and M. Fehner took 2 and 3rd prize respectively in the two major events, while Geo. Fischer, M. Knudson, H. Barber and H. Fuder won the 4th event.

At the present time the Irma Curling Club is trying to wind up the season with a mixed bonspiel if the ice tightens up before the final thaw.

Northern Nuggets

A number of local people took in some of the Brier curling games in Edmonton last week. Mr. and Mrs. A. C. Archibald were up on Thursday, while on Friday Messrs. John Bars, Ivan Hardy, H. Barnes, L. Bars, Geo. Hardy and R. McRoberts all motored up.

Mr. and Mrs. Donald Ramsay were city visitors for three days at the end of last week.

Master Dixie Allen entertained a number of little friends at his sixth birthday party on Friday.

Mr. Bob Allen has arrived home after working in the bush this winter.

The McRoberts family were Tofield visitors on Sunday.

Congratulations to the two young ladies from this area who were successful carnival queens. Miss Dixie Shryer was Manville's Queen on Friday while Miss Colleen Archibald was the Queen in Irma on Saturday.

There will be an FUA meeting in Albert school on Monday evening, March 15.

Miss and Mrs. L. Larson Sr. again on the sick list. She is staying at the home of her son and daughter-in-law, Mr. and Mrs. Alf Larson.

Jarrow News

The W.A. met at the home of Mrs. C. Soneff on Tuesday, Mar. 2. Fifteen members and five visitors were present. The secretary Mrs. W. R. Meakins, presented the Annual Statement. This showed that the past year had been a record one for the W.A. Total receipts were \$838.93. Of this amount \$475.00 was spent on redecorating and wiring both the church and manse. Subscriptions to the Observer totaled \$25.00. Incidentals about \$60.00, leaving a balance of \$208.93. It is the hope of the W.A. that a piano can be secured sometime during the year. Plans were discussed regarding a bazaar and lawn social in June.

Mrs. Sherman of Edmonton has been visiting with her son Bob and family and getting acquainted with that new grandson.

M. Bilo attended the McDonald Brier curling games in the city on Thursday.

We are sorry to hear that Mrs. Wm. Belton is a patient at the "Viking" hospital. We hope that before too long she will be back in the post office handing out the mail to her many friends.

Mrs. R. H. Astley of Minburn is spending a few days at the home of her parents, Mr. and Mrs. G. Theroux.

Knutte Overbo, returned last week from his trip to N.D. and Minn., but his brother Tom was not able to come with him. Not feeling too well he went to the Mayo Clinic at Rochester, Minn., where he underwent an operation. From latest reports he is doing well and expects to be home in a couple of weeks.

Mr. and Mrs. Albert Soneff and Stanley were Sunday visitors at the C. Soneff home. Congratulations go to Carl Soneff who was the lucky winner of the bedspread raffled at the dance at Batts on Friday evening.

Mr. and Mrs. Sherman and boys and Sunday with relatives at Bruce.

We are sorry to hear that Mrs. Olaf Lovig is a patient in the Viking hospital, but hope she will soon be home again.

The sympathy of the district is extended to Mr. H. McGuire on the loss of his mother in Nova Scotia.

Gas Kings Take One Game Lead Over Vegreville

(From The Viking News)

The Viking Gas Kings upset the hockey apple cart here last Saturday night when they trimmed the Vegreville Rangers in the third game of the semi-final series by the score of 8 to 3.

Hitting their fastest pace this year the Gas Kings had the Vegreville imports from the city hog-tied and ended the first period with a 1-1 deadlock. Viking's goal by Proctor with assist from J. Dunnigan. Vegreville's tally came from Butler (Meldrum).

Keeping up their efforts in the second stanza the Gas Kings burned up the ice with rushes that left the fans gasping and cheering. Frickleton nicked the nets with Dr. Klein assisting. Proctor got another behind Lesnick with the Dunnigan twins getting the assist; Slywka then made a nice solo effort to score before Eliuk (Kryklywicz) tallied for Vegreville.

With four to two staring at them on the score board the Rangers made a desperate attempt to douse the light of the Gas Kings but no dice. Eliuk scored for the visitors but Mason and Romanuk teamed up to put the rubber behind Lesnick for a fifth counter. Then T. Dunnigan with brother John and Romanuk on the follow-up with the fifth, then Proctor completed his hat trick with Slywka putting the game on ice with the help of Glasgow and Mason.

The fans left the Carena predicting that the Gas Kings are on their way to the championship of the league.

Last night (Tuesday) the Viking Gas Kings jumped into a one-game lead on the Vegreville Rangers as they won a thriller on Vegreville's own stamping grounds 5 to 5.

The Kings were behind 5-3 playing in the third period when Billy Mason caught fire and rapped in two and Bruce Stuart counted one. Vegreville tried desperately but could not count the equalizer as the local squad kept them tied up for the remaining few minutes.

Viking's goals scored by Billy Mason (2), Stuart (2), Glasgow and Frickleton one apiece.

Next game in this series is scheduled for the Viking Carena Thursday night, March 11; weather permitting.

This corner joins with all the rest of the curlers in Alberta in extending congratulations to the Edmonton rink from the Granite club skipped by youthful Matt Baldwin, in winning the MacDonald Brier Tankard emblematic of the dominion curling championship matches held in Edmonton Gardens last week. Winning 9 games out of 10 was no mean feat against the best that the other nine provinces sent to compete in this annual curling classic. We take pride in the fact that a former member of the Viking curling club, Jim Collins, was playing lead for the Baldwin rink. The members of the team are all young and they should be heard from in Brier competitions for many years.

Next year the Brier games are held at Regina. We believe that Matt Baldwin will be there representing Alberta.

Vermilion Tigers have defeated the Wainwright Commandos in three games out of five in the semi-final series of the Eastern Alberta Hockey League. The Commandos were very anxious to meet the Tigers in the semi-finals and yapped all season against the Viking Gas Kings set-up which the manager L. J. Rasmussen, put them straight on last week.

The Good Earth

(By N. A. Chomik,

District Agriculturist)

SEED A FEW ACRES DOWN TO FORAGE CROPS

This year seems to point to many advantages to seeding down to forage crops. In the first place the price of forage seed is down. For example, Alfalfa 30c per pound; Bromo 145c per pound and Sweet, Clover 135c per pound. Forage seed is in good supply and can be obtained easily by placing your order with your elevator agent, or writing to any seed firm. Secondly, with quotas on cereal grains, and grain harder to move land seeded to forage crops for pasture or hay will bring quick returns through higher milk production, or high meat production (beef, pork, and poultry) both products readily saleable.

Also forage crops are soil builders. They add fibre, and in case of legumes, nitrogen to the soil. They stop erosion and control weeds. There is a good deal of marginal land in this district in so far as grain production is concerned. Such land seeded to a proper mixture of forage crops can yield good returns in terms of pasture of hay. Many alkali, solonch (gumbo) stony, or sandy soils as well as low lying land subject to flooding can be improved and will produce good crops of forage if seeded down to a suitable mixture, or kind.

Forage crops increase the level of production of a farm and provide the best livestock feed that we can grow in this area. They are worth considering and using. Let's sow a few acres down to forage crops in 1954.

LABOR REQUIREMENTS

Farmers in need of labor can apply to this office for this service. The Department of Agriculture is not actively participating in movement of displaced persons as in the last two years, but District Agriculturists will take requests from farmers for weavers and endeavor to procure the same for them.

Any farmer that will need help for the summer months and is unable to locate such help through local or other source, can apply to this office.

SCHOLARSHIPS FOR RURAL STUDENTS

The Alberta Wheat Pool offers annually a scholarship of \$500.00 to a student living in Northern Alberta, graduating from a high school and wishing to attend the University of Alberta for a degree course.

The amount of \$500.00 will be paid to the student during each of the undergraduate years up to and including five years that he or she maintains an average standing of not less than 65% each year.

These scholarships are open to students whose homes are on the farm and the award will be made on the basis of satisfactory record, in grade twelve examination for senior matriculation and of the need for financial assistance.

Application forms are available from the Registrar, University of Alberta, and should be completed by August 10.

LIST SEED GRAIN REQUIREMENTS OR SUPPLIES

Farmers that have a supply of grain on hand, suitable for seed, can leave their listing with this office. This office appreciates such a listing. Also a sample of the grain should be submitted that we may keep on hand. Likewise farmers requiring seed could list their requirements with us and every effort will be made to assist such farmers in locating grain suitable for seed.

Road-Test the **Newest**
... and you won't settle for less!

So much that's new ... and completely proved!

You'll find that the Dodge Royal V-8 brings you the finest of new car features for 1954... a combination of the "dome-shaped" combustion chamber 150 h.p. Red Ram engine, famous for power and economy... and PowerFlite, the smoothest and most powerful of fully automatic transmissions. No other car offers you this great performance combination at so low a price.

You'll be frankly amazed at the control you have over this Dodge Royal—how it handles curves, and holds the roughest roads with smooth-riding ease.

You'll like its beauty and luxury, too. New chrome treatment increases that longer, lower look... colourful two-tone interiors, have wide, restful chair-high seats... floors are covered by rich, deep wool-type carpeting. Twelve new body colours, in lustrous baked enamel can be adapted into 48 two-tone colour combinations.

A road-test will convince you that the Dodge Royal offers you more of the finer qualities you want—unequalled at the price—plus traditional Dodge Dependability.

POWERFLITE fully automatic transmission is standard on Dodge Royal V-8's. It lets you move in one effortless motion from starting to highway speeds—without lifting your foot from the accelerator. Its built-in fluid torque drive gives extra acceleration for fast, oil-cushioned starts.

FULL POWER STEERING takes all the hard work out of parking and steering. It's on the job all the time from the moment you start your engine. Optional at moderate cost on all 1954 Dodge cars.

THIS IS EDUCATION WEEK

Throughout Canada this week, legislators, home and school associations, parents and teachers, are meeting to study problems that have a far reaching importance to educational matters. Much has been said and written about the so-called new fangled ideas of educational trends which to many do not seem to produce the desired results especially in the elementary grades. Shortage of qualified teachers also poses a problem, and ways and means of making the teaching profession more attractive to academic graduates of our universities. Teachers' associations claim that salaries are too low to induce competent prospective teachers who rather seek positions in business or industry. Department of education officials propose training high school graduates in a few short weeks to fill the gap but this is not the answer as it is feared that this plan if carried out will lower teaching standards. These mutual discussions it is hoped will lead to a solution of a situation that is affecting the most important time in the lives of young Canada.

ALBERTA WHEAT POOL

Objectives and Achievements

While Alberta Pool Elevators is an efficient large-scale business enterprise, it is something more.

It is a creation of the agricultural co-operative movement and as such is closely knit to the men and women on the land who believe in the principles of co-operation.

Agricultural co-operation has two sides which, balancing each other, gives the movement strength. One side is the commercial and the other is the social.

The commercial side is to be regarded as the means to the end of improving the living conditions of rural people.

With that objective in view, Alberta Pool Elevators has, over the years, provided surplus earnings to the extent that \$15,390,441 has been distributed to the membership in the form of patronage dividends and redemption of reserves.

In addition reserves to the value of \$9,530,362 have been distributed as patronage dividends.

Furthermore, the operation of Alberta Pool Elevators has kept handling charges low and provided a high standard of service to patrons.

The social purpose of the farm co-operative movement is to raise the cultural standard of farm people and prepare them to assume their full share of responsibility in the nation's economic life.

Every Pool elevator may be said to be a sentinel guarding the interests of the grain producers in that locality. Each one also serves as a link connecting all parts of a great democratic movement working on behalf of the people engaged in Canada's basic industry.

EDMONTON REPORT

By Donald F. Smith

GHOSTS OF \$25.00 PER MONTH STALE LEGISLATIVE HALLS

EDMONTON — Recollections of a 19-year-old Social Credit promise were stirred in the Alberta legislature last week as Premier Manning presented a record-making budget of expenditures and forecast the payment of "citizens participation dividends," based on Alberta's revenues from the natural resources dividends.

There was, of course, no statement of what the dividends would be or how they would be distributed. This is a quotation from the premier's speech: "It may be that the time is coming when the interests of responsible self-government will be better served by levelling off the measure of provincial financial aid and distributing directly to the individual citizens of each community an equitable share of the revenues accruing from the development of their natural resources in the form of citizens' participation dividends. Such a policy not only would enhance the financial ability of ratepayers to meet the operating costs of autonomous local government but would recognize each citizen's personal stake in the natural resources of the province and his right to an equitable share of the benefits accruing from their orderly development."

This statement followed by one day the introduction of a motion by Social Creditor John Landrevoy, of Lethbridge, calling on the federal government to "enact the necessary legislation to provide for the issue of money and credit in terms of public need." Which in other words is ninety-nine and ninety-nine one-hundredths per cent Social Credit monetary theory.

Mr. Manning's unprecedented budget forecasts total spending for the year beginning April 1 of \$204,949,712, an increase of \$30,866,582 over the appropriation for the current year.

It was the premier's tenth budget presentation, the first one having called for total expenditures of \$30,094,556. As in the past, highway construction, maintenance and administration will take the lion's share of the estimates, including statutory loans. The \$57,209,195 estimated expenditure on highways and district roads is almost 28 per cent of the estimates. The agriculture and water resources departments plan to spend \$7,085,245.

The appropriation for district highways and local roads is \$1,000,000 greater than the \$5,625,000 of last year. Grants to municipal districts for these purposes will total \$3,000,000; grants to improvement districts, \$2,500,000 and to special areas, \$125,000.

Bridge construction in the ensuing year is expected to run to \$4,500,000 or \$1,500,000 more than last year, while the construction of main highways calls for spending of more than \$30,000,000. Under a special section in the Trans-Canada Highway within Alberta, for which the proposed expenditure tops \$6,400,000.

Advocated by many members in the legislature this year, the proposed increase in the supplementary pension payment to old age pensioners from \$10 to \$15 per month will be received with approval in almost all quarters. Those to whom this assistance will be given are those on old age security pensions, old age assistance pensions and blind persons' allowances.

At the same time it is proposed to increase by \$60 the allowable annual income of each of these categories for supplementary pension purposes. It will cost the government more than \$1,000,000 for the increase.

It remains to be seen if the Premier's belief that the \$600 increase in the members' pensional income "will have general public endorsement." In announcing the proposed increase, to bring the total to \$3,600, Mr. Manning said there have been no revisions in the indemnities since 1949-50 and cited increased cost of living and MLA's expenses as reasons for approving the step.

Irma Village Council Meeting Held on March 8

Minutes of the first statutory meeting of the Council of the Village of Irma held on Monday, the 8th day of March, A.D. 1954 at 8 p.m. in the office of the Secretary-Treasurer, Irma. Councillors Present: W. N. Frickleton, V. S. Sampson, W. Symington.

Others Present

Returning Officer-Secretary-Treasurer, A. C. Charter.

Report of R.O.

The R.O., A. C. Charter, called the meeting to order and read his report of the outcome of the election of Councillor for the Village of Irma for the term of three years, 1954-1957.

The report showed that Clr. V. S. Sampson was elected by acclamation.

Councillor V. S. Sampson subscribed to the official oath of office, which, when complete, was filed in the minute book.

Mayor

The R.O. called for the election of Mayor for the current term.

Moved by V. Sampson that Clr. W. N. Frickleton be elected Mayor.

This motion was carried unanimously and the R.O. declared Councillor W. N. Frickleton to be Mayor for the current term.

Mayor Frickleton thereupon subscribed to the Official oath of office and took over the chair.

Minutes of the previous regular Council meeting held on the 14th day of February, 1954, were read by the Sec.-Treas. and upon the motion of Mayor Frickleton thereupon signed the minutes of the meeting.

Monthly Statement

The Secretary-Treasurer submitted the monthly cash statement for the month of February. The statement was examined by the Council members and when found correct was ordered adopted. The Mayor and Sec.-Treas. then signed this statement and it was filed in the Minute Book.

Deputy Mayor

Moved by Mayor Frickleton that V. S. Sampson be deputy Mayor for the first six months of the current term and that W. Symington be deputy mayor for the second six months. Cd.

Assessor

The Secretary-Treasurer advised Council that pursuant to Section 70 of the Town and Village Act R.S.A. 1952 an assessor must be appointed. Subject to the approval of the Minister.

Moved by Symington that A. C. Charter be appointed assessor of the Village of Irma for the year 1954 for the purpose of making such annual assessment as are required and that the fee for said services shall be \$50.00. Cd.

On the motion of W. Symington (pursuant to Section 72 Town and Village Act R.S.A. 1952, Messrs. Patiquin, Duncan, McClary, McClary and Co. were appointed as auditors for the year 1954. Subject to the approval of the Minister. Cd.

Dates of Regular Meetings Moved by Councillor Sampson that the regular meetings of the Council shall be held on the second Monday in each and every month at 8 p.m. in the Village Office. Cd.

Secretary-Treasurer's Bond

Examined by Council and found in good standing, this was returned to the Secretary-Treas. who thereupon returned it to the Village safe for safe keeping.

Banking Resolution

Moved by Mayor Frickleton that the Council continue to conduct its banking business through the Bank of Montreal, Wainwright. Cd.

Signing Authorities

Moved by Councillor that the Mayor or in the absence of the Mayor the Deputy Mayor, together with the Sec.-Treas. be and are authorized to sign all cheques, together with the necessary banking forms as are required to be completed and forwarded to the Bank of Montreal, Wainwright. Cd.
